TLEQ LEVEL 2 SWIMMING TEACHER SPECIFICATION

TLE Qualifications

TLE Qualifications (TLEQ) is a recognised institution responsible for developing, accrediting, and issuing qualifications to learners in Great Britain, Northern Ireland and Republic of Ireland.

TLEQ Objectives

- To provide high-quality education qualifications and training services in various disciplines, including but not limited to professional certifications, vocational courses, and academic programmes
- To develop and maintain partnerships with educational institutions, businesses, and organisations to enhance the quality and relevance of qualifications, fostering collaboration and mutual growth
- To promote professional development and lifelong learning opportunities for individuals, thereby contributing to their personal growth and career advancement
- To adhere to and operate in accordance with the laws, regulations, and policies governing educational services in Great Britain, Northern Ireland and Republic of Ireland, ensuring compliance and ethical practices
- To conduct research and development activities, exploring innovative educational methodologies and technologies to continuously enhance the quality and effectiveness of its offerings
- To engage in activities that promote equal access to education, diversity, and inclusion, ensuring that educational opportunities are available to individuals from all backgrounds
- To contribute positively to the social and economic well-being of Great Britain, Northern Ireland and Republic of Ireland and the communities it serves

Learning to swim saves lives

Bethan & Joni

Introduction

TLEQ is renowned for its commitment to excellence in aquatic education, offering comprehensive training programmes designed to equip individuals with the knowledge and skills necessary to thrive in the leisure industry.

With a focus on fostering safe, inclusive, and progressive learning environments, TLEQ delivers unparalleled education in partnership with industry-leading professionals. Through a blend of theoretical learning and practical application, TLEQ empowers aspiring swimming teachers and coaches, as well as aquatic instructors and professionals, to master essential techniques, teaching methodologies, and safety protocols, ensuring they emerge as confident and competent professionals.

By upholding rigorous standards and embracing innovative approaches, TLEQ sets the benchmark for aquatic education, nurturing a new generation of swimming professionals who are prepared to inspire and transform lives in and around the water.

Specification Summary

TLEQ Level 2 Swimming Teacher Qualification is designed to equip aspiring swimming teachers with the essential skills, knowledge, and confidence to deliver safe, engaging, and effective swimming lessons to individuals of all ages and abilities.

TLEQ Level 2 Swimming Teacher Qualification has been developed in response to the evolving needs of the leisure industry, ensuring that participants gain the most relevant, up-to-date, and practical expertise. This qualification is ideal for those passionate about making a positive impact on swimmers' lives while fostering water safety, skill development, and a love for the aquatic environment.

Aligned with the CIMSPA professional standards and backed by industry leaders, this Level 2 qualification ensures that successful learners will be fully qualified to teach swimming independently. It emphasises best practices in swimming instruction, including lesson planning, class management, stroke development, and safeguarding.

TLEQ is committed to providing high-quality education that not only meets regulatory requirements but also empowers learners to become confident, effective professionals in the aquatic field. We believe in creating a learning environment that is inclusive, supportive, and conducive to growth. Our experienced tutors bring a wealth of knowledge, ensuring that every participant completes the course with the skills they need to succeed.

This specification outlines the qualification's structure, assessment methods, and learning outcomes, offering a clear pathway for those embarking on their journey to becoming a swimming teacher. We are excited to support you in taking this important step toward a rewarding career in aquatic education.

Qualification Overview

Qualification Title:	TLEQ Level 2 Swimming Teacher Qualification
Qualification Number (QN):	TLEQ2302
Qualification Type:	Level 2 Certificate

Total Qualification Time:	90 hours
Guided Learning Hours (GLH):	60 hours
Self-Led Study:	30 hours

Entry Requirements

Minimum age of 16 at assessment
No prior experience required

Assessment Methods

Continuous assessment through:

- Evidence-based online submission of theoretical knowledge (assignments, competency questions, lesson planning, self-evaluations and video submissions)
 - Practical assessment
-

Qualification Delivery

Online: E-learning modules through TLE Learn Lab e-learning platform

Face-to-face: Theoretical sessions delivered in a classroom or virtually delivered through TLE Learn Lab e-learning platform

Practical: On deck sessions in the swimming pool, where learners practice teaching skills and implement safety procedures

Learning Support

Learning materials/resources will be hosted on TLE Learn Lab e-learning platform

Purpose

This qualification is designed to provide learners with the skills and knowledge to teach swimming, supporting participants from the age of three upwards to learn essential swimming skills and develop competence across all four strokes. It equips learners to plan, deliver, and evaluate inclusive, safe, and progressive swimming lessons suitable for participants of various abilities.

Key Area

The Swimming Teacher & Leisure Industry

Teaching Swimming & Learning to Swim

Planning & Evaluating Teaching

Teaching in a Practical Environment

Details

Learners will understand their roles and responsibilities in the context of the leisure industry, including working with industry colleagues and understanding professional standards.

Learners will develop skills in planning and delivering swimming lessons, understanding the scientific principles of swimming, and differentiating teaching methods for various learner needs. Emphasis will be placed on understanding child development, Essential Swimming Skills (ESS), and using structured play and progressive practices to develop all four strokes.

Learners will be able to plan and evaluate a series of swimming lessons, incorporating safety, inclusion, and progression. They will reflect on teaching methods to continuously improve lesson delivery.

Learners will demonstrate practical skills in delivering safe, fun, and progressive swimming lessons in real-world environments, including supervision of assistant teachers and working with participants of all abilities.

Trainer Requirements

Required Qualifications: Level 3 Education and Training or equivalent

Additional Requirements: Completion of the TLEQ Educator Training Module for Level 2 Swimming Teacher qualification

Progression Opportunities

Further Qualifications: Specialist qualifications in disability swimming, adult and child teaching, and other advanced aquatics qualifications.

Career Opportunities: Progression to roles such as Swimming Teacher or Swimming Co-Ordinator

Policies and Procedures

Appeals and Enquiries Policy

Complaints Policy

Conflict of Interest Policy

Equality and Diversity Policy

Malpractice and Maladministration Policy

Privacy Policy

Quality Assurance Policy

Reasonable Adjustments and Special Considerations Policy

Safeguarding Children and Vulnerable Adults Policy

Whistleblowing Policy

Registration Period: 12 months from registration

Syllabus

The Swimming Teacher & Leisure Industry

Roles & Responsibilities	Understand the role and responsibilities of the swimming teacher
	Understand professional boundaries and codes of conduct for teaching swimming
	Understand the roles and responsibilities of key industry colleagues
Customer Service	Understand an organisation's swimming related products and offerings
	Understand how to present the swimming teacher role in a professional and approachable manner, in line with organisational standards
